

BUSINESS ADMINISTRATION

Specialization: Finance

ABOUT THIS DEGREE PROGRAM

BUSINESS CORE

A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These courses

introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

A PROGRAM TO FUEL YOUR FUTURE

This specialization will provide a background in essential business skills while also helping build skills necessary to work as a financial analyst.

IS THIS PROGRAM FOR YOU?

Do you want to explore investment decisions, examine the global financial system, analyze financial statements and analyze how fixed-income securities are traded? You may be interested in this program.
