

Illinois Articulation Initiative

DeVry University is proud to participate in the Illinois Articulation Initiative (IAI) as a receiving institution. The IAI is a statewide agreement among all (more than 100) Illinois public, and some private, four- and two-year higher education institutions. Part of the IAI is the Illinois Transferable General Education Core Curriculum, which consists of 12 to 13 courses equal to 37 to 41 semester hours of credit, within five areas as a package.

DeVry University accepts the package of IAI general education courses from IAI-approved institutions. As a result, transfer students' lower-division general education requirements are satisfied for DeVry's bachelor's degree programs. Transfer credit is accepted in the areas of Communications, Mathematics, Natural Sciences, Humanities and Social Sciences. Credit is applied toward a DeVry bachelor's degree program, provided IAI minimum grade requirements have been met.

DeVry offers qualifying associate degree holders the opportunity to transfer a 60-credit hour block toward a DeVry bachelor's degree program through its [Transfer Advantage60 Pledge](#). Standardized block transfer credit is awarded to eligible students who have completed an A.A. or A.S. degree from a DeVry-recognized postsecondary institution, and who earned a cumulative grade point average of at least a 2.0 (on a scale of 4.0). This opportunity is available to students admitted into a DeVry University bachelor's degree program that directly parallels their qualifying associate degree and area of specialization. Those who do not qualify for standardized block credit transfer may be eligible for customized block credit transfer. More information is available in DeVry's [academic catalog](#).

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning their first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded upon receipt of an official transcript only.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University, except as required by IAI. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. Information contained herein is neither an award nor a commitment to award credit at DeVry University.

In New York, DeVry University operates as DeVry College of New York. DeVry University is accredited by The Higher Learning Commission (HLC), <https://www.hlcommission.org>. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia.
